BID PROPOSAL FORM

Liquid Asphalt Applied Including the Spreading of Aggregate

The liquid asphalt furnished per this bid proposal shall be as specified below and shall conform to the requirements set forth in the latest edition of Sections 300 and 400 of the "Construction and Material Specifications" as specified by the Ohio Department of Transportation. The bids shall be on a unit price basis, delivered to various Randolph Township roads and applied with distributor trucks as directed by the Randolph Township Road Supervisor. The aggregate is to be from the Township's stock pile and is to be spread in accordance to State Specification 409 and is to include the loading, hauling, spreading by self-propelled spreaders, and compacting by appropriate rollers.
